**DECLARATION:**

We certify that the attached coursework is our own work, except that anything which is copied from or based upon the work of others has its source clearly and explicitly cited below:

*(You may omit libraries that form part of the standard installation of a compiler or package in the Department's computing laboratories, but must include EVERYTHING else. Make the box as big as necessary.)*

Enter the group member names and id numbers here. By submitting this document you confirm that all group members agree on this submission. If any group member does not, then they must email [I.W.Phillips@lboro.ac.uk](mailto:I.W.Phillips@lboro.ac.uk) before 5pm on the hand in day indicating why they cannot make this confirmation. Physical signatures are not required on this form.
